

## [ Format ]

All seminars and workshops will be held at Carolina Raptor Center, located inside Latta Plantation Nature Preserve. The physical address is:

Carolina Raptor Center  
6000 Sample Road  
Huntersville, NC 28078

Information about local hotels and directions will be provided to those who indicate this option on the registration form.

These seminars are designed for intermediate level rehabilitators. The information presented is based on over 30 years of rehabilitation work at CRC and over 15,700 patients admitted. It is an intensive learning experience that combines lectures, multimedia presentations and hands-on practice session taught by CRC staff with the assistance of trained volunteers.

Class sizes are limited to a minimum of 8 and a maximum of 16 participants in order to enhance opportunity for discussion. For hands on portions, the class will divide into small groups, allowing everyone to practice new techniques.

Attendees will receive a CD containing all hand-outs and PowerPoint presentations. Paper copies are available upon request.
